Work with table

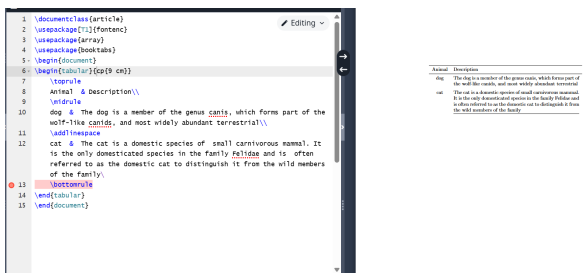
Animal	Food	Size
dog	meat	medium
horse	hay	large
frog	flies	small

Figure 6: LaTeX

Work with table



Animal	Description
dog	The dog is a member of the genus canis, which forms part of the wolf-like canids, and most widely abundant terrestrial
cat	The cat is a domestic species of small carnivorous mammal. It is the only domesticated species in the family Felidae and is often referred to as the domestic cat to distinguish it from the wild members of the family

Conclusions

- I got acquainted with LaTeX
- I learned a new package
- I learned how to create and edit tables

Thank you for your attention!
